

Quora Ads Campaign Plan – Pharmaceutical Brand (ShiningRx)

Introduction

ShiningRx is a pharmaceutical supplier focused on providing high-quality medicines to global markets. In today's digital world, platforms like Quora help target users who are actively searching for healthcare solutions and reliable suppliers.

1. Competitor Research

- i) Cipla
- ii) Sun Pharmaceutical
- iii) Dr. Reddy's Laboratories

📌 Purpose:

To understand pricing, product range, global reach, and trust factors in the pharma industry.

2. Unique Selling Points (USP)

- i) Reliable and consistent pharmaceutical supply
- ii) Focus on quality and compliance
- iii) Competitive pricing for global markets
- iv) Wide range of pharmaceutical products
- v) Strong focus on long-term business partnerships

3. Campaign Setup - A. Selected Objective

The screenshot shows the Quora Ads interface. At the top, there's a navigation bar with 'Quora Ads' and several tabs: 'Manage ads', 'Pixels & events', 'Audiences', 'Lead gen', 'Reporting', 'Conversion API', and a 'New campaign' button. The 'Lead gen' tab is active. Below the navigation bar, the 'Create your campaign' section is visible. It includes a 'Campaign name' field with the text 'Lead generation'. Under the 'Objective' section, there are six options: 'Traffic' (Drive visitors to your website), 'Conversions' (Motivate users to take an action such as a purchase or signup), 'Video views' (Optimize your campaign to maximize video views), 'Awareness' (Increase public visibility of your brand on Quora), 'Lead generation' (Collect prospect information with a form fill), and 'App installs' (Drive downloads of your mobile app). The 'Lead generation' option is selected and highlighted in blue. At the bottom right, there's a 'Continue' button. A watermark 'Activate Windows' is visible across the bottom of the page.

B. Budget Setup

The screenshot shows the 'Set your budget & schedule' section of the Quora Ads campaign setup. It includes a text block explaining budget settings: 'Set a maximum daily budget to limit daily spending. The actual amount will vary but will not exceed the amount you select. Add a lifetime budget to limit the total spend of your campaign. Set both a daily maximum and a lifetime budget to ensure the most consistent results. See the [Budget Setting Best Practices](#) for more information.' Below this, there's a 'Daily maximum budget' field with a value of '₹ 1000.00'. At the bottom left, there's a 'Back to campaign' link. The bottom right section shows the 'Bid amount' field with a value of '₹ 37.27' and the 'Ad delivery' dropdown menu set to 'Cost per click'. A 'Suggested bid' range of '₹30.82 – ₹255.88' is displayed below the bid amount field.
