

Audience Research & Social Media Platform Recommendation for Nike

Introduction

Nike is a global leader in sportswear, footwear, and athletic performance products. Known for innovation, branding, and its iconic “Just Do It” philosophy, Nike targets athletes, fitness enthusiasts, and lifestyle consumers worldwide.

To promote Nike effectively on social media, it is important to understand its target audience and select the most suitable platform based on behavior, interests, and engagement patterns.

Audience Research

1. Age Group

- Primary audience: 16–35 years
- Secondary audience: 35–50 years

Young consumers drive trends, while older audiences focus on performance, fitness, and brand loyalty.

2. Gender

- Both male and female
- Men (sportswear, shoes)
- Women (athleisure, training wear)
- Unisex collections

3. Location

- Global presence
- Strong markets:
 - USA

- Europe
- India
- China
- Middle East

Urban and metro cities dominate due to:

- Higher fitness awareness
- Brand-conscious consumers

4. Demographics

- Middle-class to premium segment
- Fitness enthusiasts
- Athletes and sports professionals
- Youth influenced by fashion and streetwear

5. Interests

- Sports (football, basketball, running, gym)
- Fitness and training
- Fashion and athleisure
- Celebrity and athlete culture
- Motivation and self-improvement

6. Behavior

- Users actively:
 - Follow athletes & influencers
 - Watch workout videos
 - Engage with motivational content

- High engagement with:
 - Reels (training, highlights)
 - Athlete collaborations
 - Product launches
- Purchase decisions influenced by:
 - Brand image
 - Influencer endorsements
 - Performance reviews
 - Visual storytelling

7. Pain Points

- Finding authentic and durable sportswear
- High price sensitivity in some markets
- Need for performance + style balance
- Confusion between brands

Platform Recommendation

Recommended Platform: Instagram

Why Instagram is the Best Platform for Nike

- Highly popular among **16–35 age group**
- Strong visual storytelling platform

Perfect for showcasing:

- Athlete performances
- Product launches
