## Justification of Influencers

### Sahil Khan

Sahil Khan is a well-known fitness personality with a massive audience interested in bodybuilding and supplements. His followers trust his recommendations for muscle growth and performance, making him ideal for promoting fitness supplements and protein products.

### Namrata Purohit

Namrata focuses on holistic fitness and wellness. Her audience includes urban professionals and women who prefer balanced fitness routines. She helps position the brand as a **healthy lifestyle choice**, not just a bodybuilding product.

### Yasmin Karachiwala

Yasmin promotes functional fitness and overall well-being. Her audience is highly engaged and health-conscious, making her perfect for promoting fitness as a **daily habit supported by your brand**.

---

#### ◆ Abhinav Mahajan

Abhinav focuses on transformations and fat loss journeys. His audience is highly action-driven and results-oriented, making him effective for showcasing **before-after results using your products**.

---

#### ◆ Fit Tuber

Fit Tuber is trusted for honest reviews and health education. His credibility makes him perfect for explaining **product benefits, ingredients, and safety**, especially for new customers.

---

### 3 Content Strategy
